

I Got Your Back

When I learned tech by myself, I didn't want it around,
Thought I'd be the clueless one that stood out in the crowd.
But someone picked me off the floor after seeing my crazed looks,
And taught me how to be a pro, from iPads to Chromebooks!

Oh technology give me one more chance,
(To tell you that I love you).
Let me teach someone else who's close to my heart.
Oh worksheets I can finally let you go,
(Let you go baby)
Now I want all my peers to know,
I GOT YOUR BACK!
